Subject: Letter of Appreciation

Dear Society Members:

On behalf of the Bureau of Reclamation I'd like to thank all of you for your volunteer service at the San Diego River Park Foundation's June 25^h cleanup in Mission Valley. Over the course of three-hours, your organization along with 90 other volunteers safely collected and removed more than 1,200 pounds of trash and rounded-up many unique items, like a discarded mattress, propane containers and other household waste. Great Teamwork!

This cleanup significantly reduced unsightly litter, storm debris, and helped curb illegal dumping activity along this sensitive riparian area. Your service and commitment to haul out other people's trash without complaint shows your unwavering dedication. Thanks to your efforts that day it helped make a difference along the San Diego River.

The San Diego River Park Foundation has a goal to restore the river from its headwaters in the Laguna Mountains to the Pacific Ocean, creating a natural riparian park setting along its 52-mile descent. With your help, that goal is being achieved one river mile at a time. The greater San Diego community is very fortunate to have environmentally-conscious members like you volunteering. I extend my sincere thanks and appreciation for a Job Well Done!

Sincerely,

William J. Steele
Area Manager
