

# YOU'RE INVITED!

## To learn about contracting opportunities for the Mid-Coast Corridor Transit Project

**Thursday, February 19, 2015**  
**10 a.m. - Noon**  
**Liberty Station**  
**McMillin Companies Event Center**  
**2875 Dewey Road, San Diego, 92106**

*\*Refreshments will be served.*

Learn about upcoming Mid-Coast construction contracting opportunities, bidding process, and network with prime and sub-contractors interested in forming teams.

A project presentation will be given at 10:15 a.m., followed by an opportunity to talk directly to project team members and network with potential prime contractors. Opportunities discussed will include early (advanced) utility packages, water, and sewer.

### ABOUT THE MID-COAST CORRIDOR TRANSIT PROJECT

The Mid-Coast Corridor Transit Project will extend the Trolley Blue Line from downtown San Diego to University City, and will include:

- 10.9 miles of new Light Rail Transit tracks
- Traction power, signals, and communications
- Four at-grade stations, and five aerial stations

**PLEASE RSVP**  
by Monday, February 16,  
to <https://midcoastcontractoropenhouse.eventbrite.com>.

If you are a prime contractor interested in having a table at the event, please indicate that in your response.

**MCTC**

Mid-Coast Transit Constructors  
Stacy and Witbeck • Herzog • Skanska
