

DON'T MISS UPCOMING MID-COAST CORRIDOR TRANSIT PROJECT CONTRACTING OPPORTUNITIES!

Mid-Coast Transit Constructors (MCTC) is preparing contracting opportunities for SANDAG's Mid-Coast Corridor Transit Project, which will extend Trolley service from downtown San Diego to University City, expand transportation capacity, and reduce congestion. Approximately \$150 million will be available for Disadvantaged Business Enterprise and Small Business contract opportunities.

MCTC

Mid-Coast Transit Constructors

Stacy and Witbeck • Herzog • Skanska

Project information will be available on www.mctcjr.com.

FOLLOW THESE SIMPLE STEPS TO RECEIVE NOTICES ABOUT UPCOMING CONTRACTING OPPORTUNITIES:

- 1** Businesses must register in the Mid-Coast Project database: **<http://www.sandag.org/index.asp?fuseaction=rfps.home>**.
- 2** If your business is already registered, please verify that you have the correct NAICS codes, contact and alternate contact information. It is better to have too many NAICS codes so that you are informed of any opportunities that relate to your business' services.
- 3** If your business is already registered, and you would like to be added to the Mid-Coast Project database, please sign in and review your information: **<http://www.planetbids.com/portal/portal.cfm?CompanyID=20398>**. Once you review your category code information and click 'continue,' your information will be transferred to the Mid-Coast Project database.

Project information will be available on **www.mctcjr.com**.
